COLDWATER HIGH SCHOOL
COLDWATER, MICHIGAN

VOL. 26

HEY, WE GOT MR. DENNIS! These Freshmen will soon realize that they have broken rule No. 4021 in their Student Handbook.

RUB-A-DUB-DUB. FIVE GIRLS IN A TUB.

KIDS, I'VE ALREADY BEEN BAPTIZED, Gene Nutt explains to Sandy Chatfield and Craig Wood.

Water Belongs To Us All

Water, water everywhere and lots of drops to drink, play in, fish in and sprinkle lawns with.

Surrounded by approximately thirty lakes within a twelve-mile radius, Coldwater is known for its resort areas.

Besides putting the lake water to advantage in the summer, students enjoy the natural resource in winter for hockey, skating, ice fishing and sledding.

With water in mind, we present a theme of this kind.

Commission Votes For Dance Dates, Rings, Improvements

Dance dates, the recreation center and class rings are some of the topics discussed at the recent Commission meeting.

The sophomore class want to order their rings at the end of their sophomore year rather than waiting until their junior year. This is being voted on by the Commission.

Improvements for the recreation center are being acted upon since the center hasn't proven to be a success, stated Mayor Doug Miller.

He also stated that the supply of dance dates has been exhausted except for some week days in the spring.

"Jenny" Cast Succeeds on Opening Night

by Susie Herman

Unlike many comedies, "Jenny Kissed Me" doesn't beat you over the head saying, "I'm trying to be funny." It just is. The facial expressions of the actors are ribtickling, the script is lively and the play moves quickly.

Jim Keyes is perfectly suited to the part of the old-fashioned, sarcastic priest. Even when his booming voice rings out serious lines, they turn out ridiculous.

When Jenny arrives, Father becomes quite fond of her and believes she should take responsibility of "marrying her off."

To help make her more attractive to the opposite sex, he decides to re-do her completely with the aid of strange garments set aside in the church for the Polish orphans.

Also doing a great job is Sharon Parrish as Jenny; she makes her part live in a naive but comical way.

Dave Strong easily fills the shoes of Michael with a manner of smooth poise. He is a young educator who talks Father Moynahan into accepting Jenny into his household.

Kathy Tarr plays Mrs. Deazy, who, in spite of the priest's disapproval, wants her niece to temporarily reside with them.

On stage, Dave Knapp is a perfect Owen, an egotistical smart alec college boy who gives a twist to the plot by taking a fancy to Jenny.

The best actress and actor will be decided this year by eight judges. This group is composed of two people from the Coldwater Players, a toastmaster and Toastb, two teachers and

"Do we or do we not give in to the peplum?" This is the question Sister Mary of the Angels is asking Father Moynahan.

Cardinal Staff Biggest Ever

Hours of laying out, typing, proofreading, picture taking and selling advertising were put in by this year's large Cardinal staff.

The humorous (?) captions and picture ideas were inspired in numerous, riotous, but productive meetings.

This year's water theme was developed while several staff members attended Michigan State's journalism workshop last summer. New advertising techniques were also discussed and used.

Do large pictures and less copy make a better book? We hope so.

Public Informer

Under its adviser, Mrs. Nancy Goodreau, Cardinal Chatter continued to inform the public on all high school activities. This was done through the Coldwater Daily Reporter every Saturday. This year, however, the high school news alternated with the elementary and junior high news, thus giving the staff more time to prepare more interesting and informative stories.

Judy Goodwin served as first semester editor with Alice Foss as her assistant. At the end of first semester Alice took over as editor assisted by Denise Corwin.

Keys Gain Prestige At CHS

Entering its second year at C.H.S. the Key Club has grown to become an important part of school and community life. Working in conjunction with the Coldwater Kiwanis Club, the Keys helped with the children's Christmas party and many other worthy causes. The Kiwanis also helped the club draw up their constitution. Other activities of the year included the building of a Halloween float and the sponsoring of record hops.

Helping to "build" a better school and community is their aim.

Pep Club

A good fairy came to CHS this year through the ingenious planning of the pep club. She (?) was the honored guest at one of the club's unusual pep assemblies.

Four hundred members paid their quarter dues, cheered at the games 'till their tonsils hurt, painted clever pep signs to paper the halls and gym, and decorated the goal posts. Their aim—keep school spirit high.

International Relations Club

Until this year the International Relations Club was a small group that met informally to study and discuss world problems. Surprisingly, this year the club has grown with a tremendous influx of freshmen.

The club had several interesting and informative programs. Iran, England and Scotland, Latin America, and Europe held the attention of the club during most of the year. The highlight of this year's I.R.C. programs was the Mock United Nations Assembly held at Hillsdale on March 16-17. This assembly gave the members of the club, who represented Iran this year, the opportunity to gain a first-hand knowledge of the United Nations and its functions through being a part of its model session.

The newly formed Spanish Club, after adopting a constitution, set out to learn about Spanish and Latin American culture as well as to have fun playing games of Spanish origin.

The club had several interesting programs and sponsored a record hop. The highlight of the year, however, was the Christmas party, at which, complying with old Spanish tradition, the Pinata, was broken and its candy distributed to all. The Pinata, had been made at the club's December meetings.

OFF TO WAR! The debaters are Dick McNall, David Noel, Del Hawk, Suzie Mulchahey, Jim Roach, and Adviser Elwood McClellan.

Debate graduated this year, from a club to a class. As the class progressed, Mr. Elwood McClellan chose the debators for each match.

Christmas Formal Is

"Deck the halls with boughs of holly. . ." The spirit of the holiday season pervaded the halls of CHS with the rustle of taffeta and the tunes of the Notables.

The couples enjoyed an evening of dancing and socializing in the cafeteria, which was transformed into the "Wonderland by Night."

By evening's end, all agreed the Christmas formal had succeeded in bringing the Christmas season its high point at Coldwater High.

Boisterously proclaiming "Hey, Look Us Over," the Coldwater High School Band marched to a first place rating in the marching contest held at our own Cardinal Field. Late in the summer the band attended a week of marching camp and apparently it paid off. Earlier in the fall the band made their annual trip to the Centreville Fair and bi-annual journey to Ann Arbor to the U. of M. Band Day spectacular.

Snow and a crisp nip in the air brought the Christmas Concert, playing at basketball games, the Winter Concert, the Solo and Ensemble Contest, All-Stars Band, and plenty of practice. But in the midst of practice, concerts, and contests, members of the band found time to travel to Chicago and attend the stage show "The Sound of Music" and time to help the band parents on their many projects.

The band ended its year with a picnic on Memorial Day —a year filled with busy music making and a lot of fun.

HEY, JIM, HERE'S YOUR LUNCH! Jim Keyes, Stevie Treat and Kathy Tarr in one of their play scenes.

Capacity Crowd

A sarcastic Father, an outspoken housekeeper, a gallon of pineapple rice and a happy ending won the enthusiastic approval of those attending the senior play.

Miss Phyllis Coscarelly, faculty adviser, and Judy Goodwin, student director, deserved much credit for their effective casting and endless patience.

Coe And Court Delight Game

PSST! YOUR HEAD IS TOO BIG. Mayor Arthur Lyon crowns Joyce Coe 1962 Homecoming Queen.

Dressed in formal clothes and tingling with excitement, the 1962 Court waited nervously until their escorts arrived to take them on their thrilling convertible ride around the football field.

Anticipation and curiosity was at a peak when the announcement came over the loud speaker revealing the queen's name to everyone including the queen herself. "Will Miss Joyce Coe please step forward." Mayor Arthur Lyon ceremoniously crowned her as the crowd cheered and whistled.

The Homecoming Dance was held immediately after the game in the school gym. Red and white goal posts, balloons, and palms furnished the atmosphere along with the platform complete with silver steps. At 11:00 sharp the large bundles of balloons were turned loose on the dance floor.

Homecoming Queen

OOOH! I WOULD SIT ON THE SUGGESTION BOX. Miss Joyce Coe reigned as 1962 Homecoming Queen.

Fans

Miss Phyllis Coscarelly, director of both Junior and Senior plays.

"So, I ask you—uh—how—uh—. Oh, what is that line?" Learning lines and cues, practicing voice projection, and learning theatric techniques took most of the time of the Jr. play cast during February and March.

This year, the Junior class turned from the usual comedy to a semi-dramatic presentation. The play took place in "The Jury Room", and the twelve members of the play were to decide the fate of Julie Fletcher, a young girl who has supposedly murdered her uncle. The vote was 11-1 throughout the play with only the Actress, played by Beth Bryan, against conviction. The play had a surprise ending where one of the members of the jury was actually the murderer.

None of the jurors have names but are known by different characteristics like The Angry Man, played by Jim Roach; The Young Man, played by Randy McNitt; The Foreman, Richard McNall; The Blonde, Lennah Johnson; The Shy Girl, Cheryl Bodie; The Brunette, Susan Mulchahey; The Middle-aged Man, David Noel; The Society Woman, Ann Enos; The Two Old Ladies, Judy Bice and Kay Berkey; and The Man with Glasses, Larry Stout.

Cardinals Capture Third

ONE, TWO, CHA-CHA-CHA. Coldwater Cardinals trap Albion's ball carrier.

The hard-fighting Cardinals managed to capture third place in the Twin Valley Conference despite their record of two wins, five losses and one tie.

Both Coach Sangalli and Coach St. Aubin agreed that the varsity squad played its best game of the year against Albion. Even though the team was down thirteen points when the final gun sounded, the teammates displayed their greatest spark and determination against the conference's number one team.

The season ended with Les Waldron and Danny Speaker awarded All Conference Team recognition, and Bruce Wood given honorable mention.

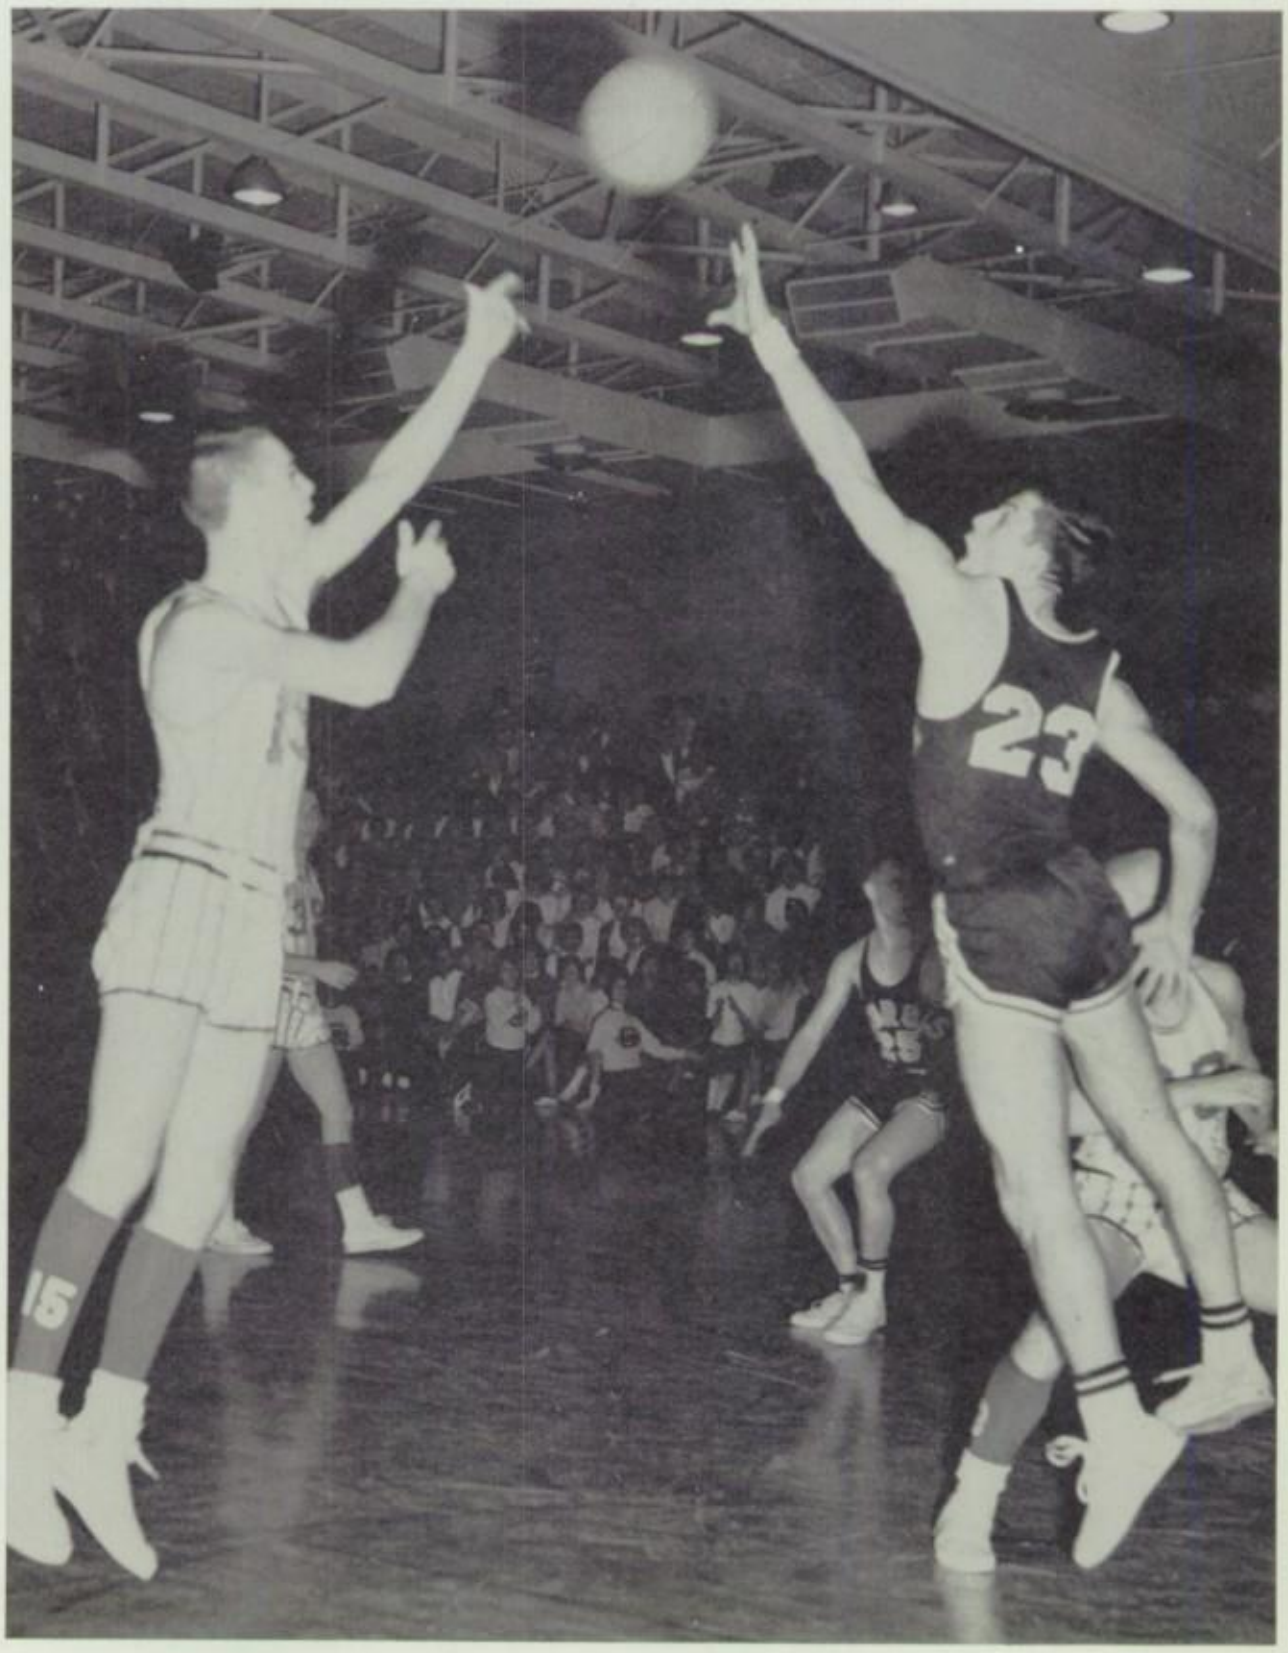
CAREFUL, REF, YOU'LL SWALLOW YOUR WHISTLE. Les Waldron out-jumps Sturgis and tries for two points.

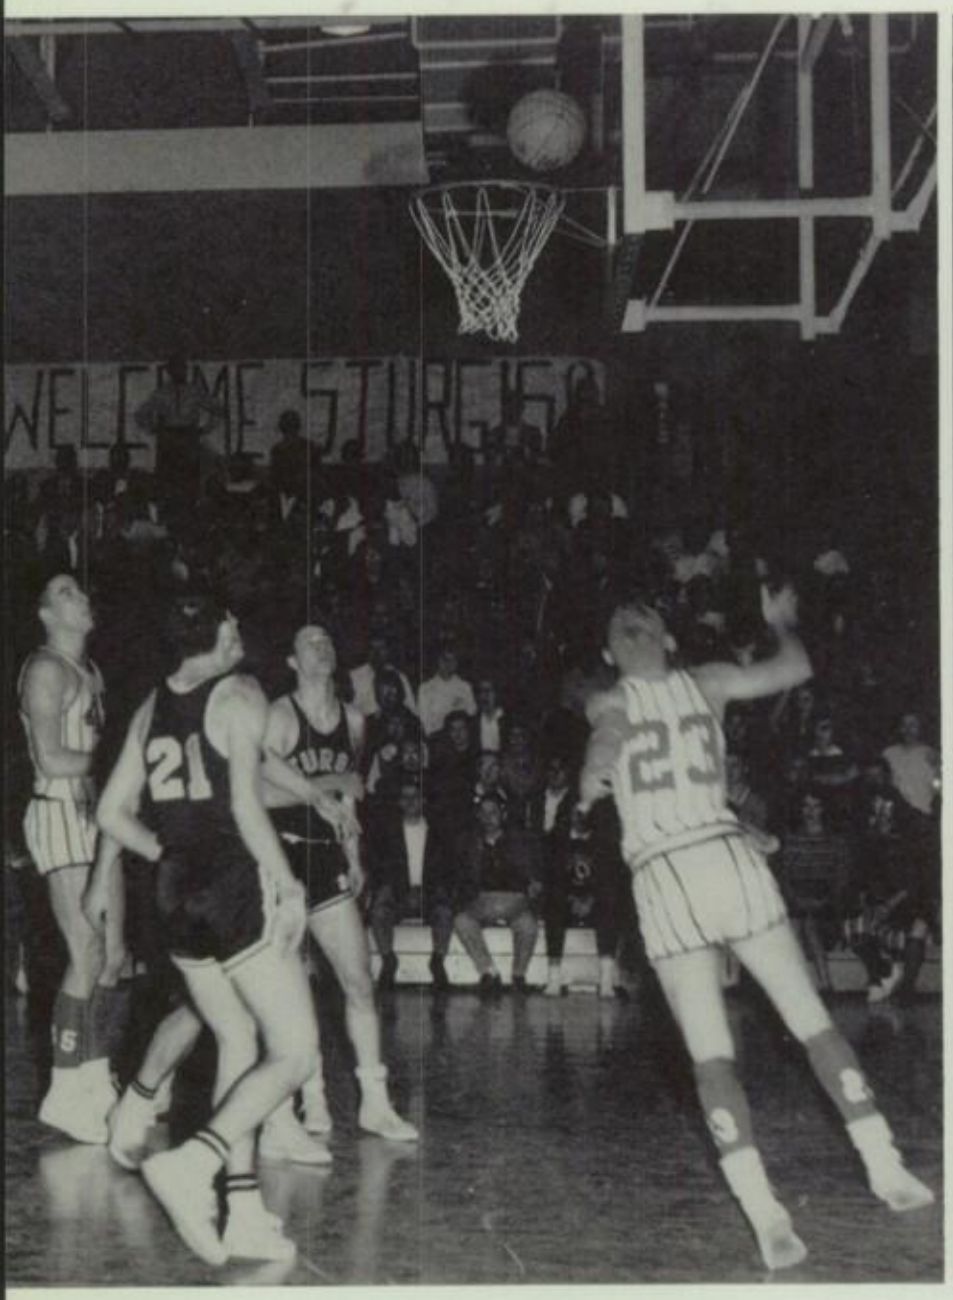
Wins Low



LOOKS LIKE A BALLET! Mike Pfost and Sturgis member fly for the ball.

The opening game of the season, against still undefeated East Lansing, was an impressive one because the loss the Cards took was only by two points.

For the first time, six games were played before Christmas including two Friday and Saturday combinations. It was a disastrous first round, with the Cardinals winning only one game out of the first ten.



WHO SAYS STURGIS IS WELCOME! Mike Stanfill steals the show for two more points.

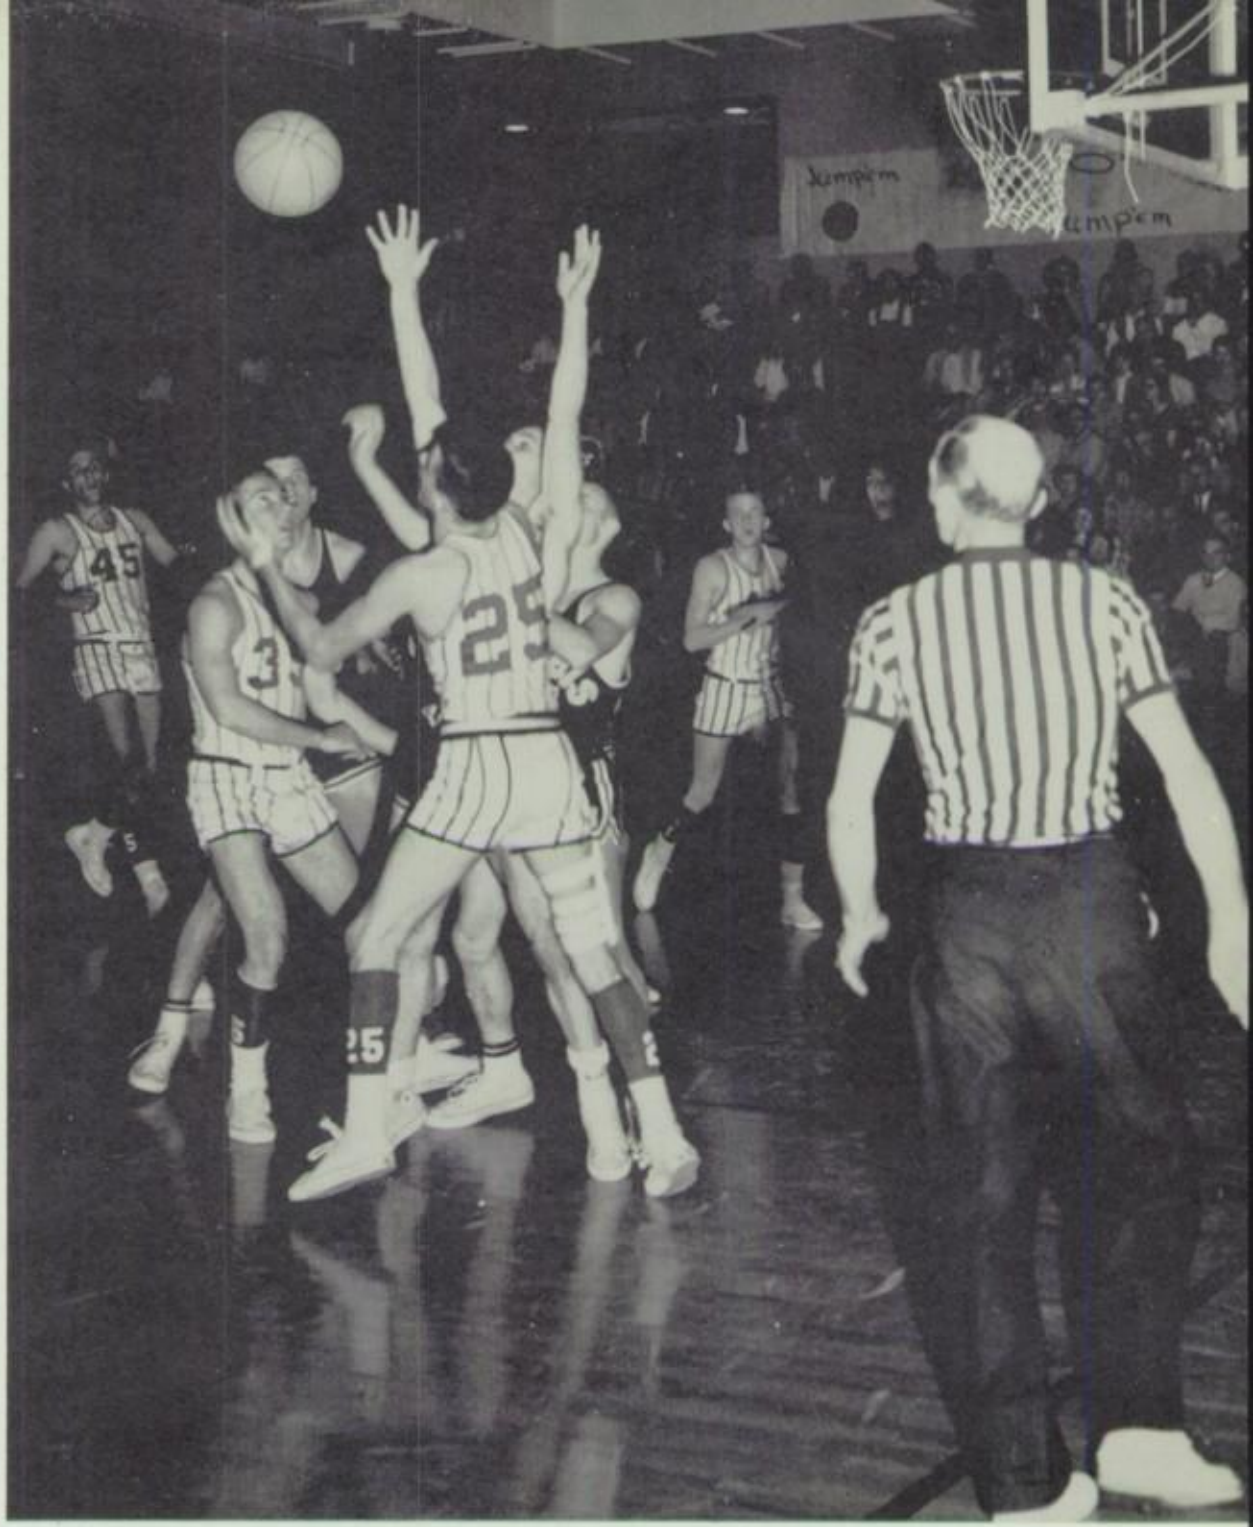
ALL IN FAVOR RAISE YOUR HAND. Les Waldron struggles to beat the opposing man.

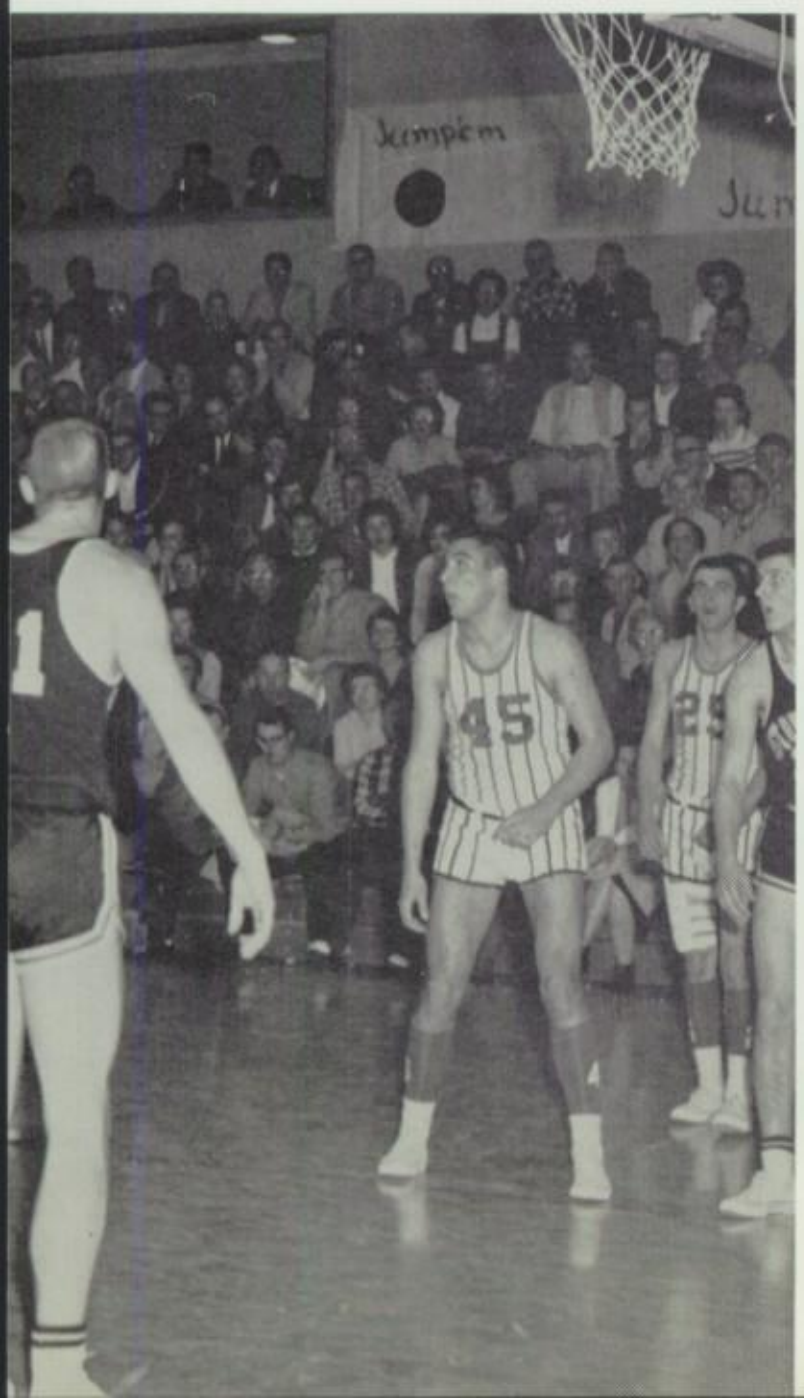
I SHOOT BEST ON MY TIPPY-TOES. Bob Russell sends up a free throw.

Starting with the Sturgis game which was our ninth loss, Coach Floyd Eby set up a new playing strategy which he called "two-platoon full court press and race-horse basketball."

Losing our first game under this system to the champion Sturgis team, the Cards went on to some victories. Probably the greatest achievement of the season occurred at Three Rivers when the Cardinals knocked the good Three Rivers team out of their tie for first place, 83-60.

BOYS, YOU CAN'T ALL HAVE IT! Bruce Wood and Leon Clearwater try to gain possession of the ball while Les Waldron and Bob Russell look on.





The team set a scoring record for the season (also second highest in the history of the school) against Battle Creek Lakeview when they defeated them 88-52.

The squad this year consisted of seven seniors and six underclassmen including three sophomores. One of the reasons for the team's bad start was the inability to shoot well and when the boys found themselves behind, they would press to try to catch up, causing their many game errors.

RESERVE TEAM—*First row*—Manager Dan Bunge, Fred Butterfield, Dick Martinson, Dennis Waters, Paul Cosgrove, Ron Glant. *Second row*—Moe Paradine, Steve Fraley, Jim Barber, Melvin Budd, Ron Curtiss, Coach Pat Lowe.

The scheduling of matches for the Twin Valley tennis teams was re-organized this year. Instead of the usual eight matches, the teams played between twelve and fourteen.

Championship is now based upon the team's total points from both league matches and final tournament. In the past, the top squad was based entirely on the tournament performance. As a result, all league schools played one another.

New uniforms and sweat clothes were incentive to the already sharp competition among the squad.

Golf Team Changes

The usual eighteen-hole golf match was replaced by a greater number of nine-hole matches.

Bob Shedd and Steve Wettle, who were expected to do a good job, were back this year. The Freshman Class offered two boys who were also a great help—Sam Shaw and Terry Schultz.

Expecting to have four people score in the low 80's, Coach St. Aubin anticipated a better season this year than in the past.

Jeff Hartnell uses the nine iron to get his ball just on the green.

Whoa there, Steve! Just get the ball out of the trap—not the sand too.

COACH DAVE ST. AUBIN

Baseball Starts Summer Season

Baseball finally moved to the good ole summertime. In order to relieve the pressure of spring sports and provide better weather conditions, the Twin Valley baseball season did not open until May 1.

This change was an experiment under the direction of the State Athletic Director. Not only did this allow time for more games (20 league games were played instead of 7) but as a result students were able to participate in more than one spring sport.

Under the new experimental scheduling program for baseball, reserve baseball began practice May 1 and finished its six-game season by June 5. The short time, however, is compensated through the Connie Mack program available during the summer.

The keen interest in this sport resulted in a large turn-out for the team. It was then carefully cut to approximately eighteen team members.

One of the busiest spots during lunch time is the recreation room. It is amazing how some students can manage to eat a king-sized lunch and still play plenty of ping pong and shuffle board in a thirty-minute period. Students stand guard or bargain vigorously for a chance to rid themselves of the fiery energy which must be subdued during the long hours of class.

Even though spirit ran high for the girls, the experienced Alumni, coached by Mr. David St. Aubin, unquestionably took the victory, 14-5. This was only one of the many activities during the past year.

Added to the long list of sports offered this year were archery and swimming.

Other than sports, money-making projects kept the GAA busy. The Halloween float, "GAA in Grandma's Day," took second prize in the annual Halloween parade. Sponsoring dances and selling sweatshirts were other fund-raisers.

Driving Hazards Increase

In one short year, many new drivers roar onto the highways as a result of the Driver Education Department here at CHS.

After learning the basic techniques and safety rules in the classrooms, students face the real challenge of actual driving. After the many confidence-building practice hours, students are ready to obtain their driver's licenses.

Missiles and mathematics go hand in hand and both have been given increased importance in the last few years. This is evident in the number of students enrolled and in the changing curriculum.

Because of the need for more college preparatory topics, Solid Geometry is gradually being combined with Plane Geometry. This will eventually allow a whole semester for relatively advanced mathematics. In Algebra I and II, and General Math, new approaches are being applied in order to give students a clearer perception of the material at hand.

Beginning with Civics in the ninth grade, students read, give reports and take notes, notes, notes. By the time they finish their senior year, students have spanned more than 200 years of political, social and economic events in their studies of world history.

Faculty At Their Best

FRESHMAN CLASS OFFICERS Mary Shustrom; Secretary; Gary Mohr, Treasurer; Linda Simons, Vice President, look for their missing president, John Heiney.

These Freshmen have now survived one year in new surroundings. During this year, they have come in contact with new books, new activities, new ideas and new problems.

"Think and Grow Rich" became their motto and they had much to discuss after reading this book and *The Ugly American.* Many puzzled at the predicament of Antonio in *The Merchant of Venice* or at their own when they had to choose a speech topic.

Now that $Y=X^2+4$ means something and Antonio is out of trouble nearly all 322 of them (the largest freshman class yet) are ready to be called Sophomores.

NOT ONLY ARE WE ATHLETIC BUT WE'RE SMART. Sophomore Class Officers, President Dennis Waters; Vice President Mel Budd; Secretary Charlene Stemen; Treasurer Bob Shedd, pose for the camera.

The Book of Job and the Rubaiyat of Omar Khayyam along with other works of literation gave this year's Sophomores a taste of the world's great literature.

While struggling through term papers, the Pythagorean Theorem and English projects, a very high percentage of Sophomores appeared on the honor roll and participated in athletic activities.

After two years in high school, the members of this somewhat exceptional class are ready to be listed as Juniors.

College Conscious Seniors

WE'RE DONATING A NEW BED TO THE CLINIC. Martin Obed, president; Carolyn Clark, vice president; Joyce Coe, secretary; and Carol Rayborn, treasurer; compose the senior class officers.

The long awaited day so important in our lives has come and gone. Only a moment ago we were seniors, yet now we stand on the threshold of our lives. It is exciting to finally be able to choose our own paths in life. Yet it can be lonely, too, when we realized that our high school days will only be memories from now on.

We have many memories, however, such as the birthday parties and "pot luck" lunches in the cafeteria. It would be hard to forget scrubbing the concession stand in freezing weather and working on "impossible" trig problems. *Macbeth* gave us a hard time, along with College Boards. Black was "the" color for Friday the 13th, and wide ties were in fashion on several Thursdays. Cramming became a popular sport —especially in case of emergencies, such as "surprise" government quizzes. We, the class of 1962, have had a rewarding year.
